

Exclusion of liability

By signing this document, I confirm that I have read, understood and expressly accepted the **hall and user regulations** in its current version **for the climbing facility of the Sports forum of the University of Kiel**.

I assure that I have the ability and the necessary experience to climb and secure according to the current state of safety technology. My equipment is contemporary and in perfect condition.

The risks associated with practicing sport climbing are known to me. I climb at my own risk and I am responsible for my own safety. The sports center of the University of Kiel is excluded from any liability.

In addition, I assure not to use the hall commercially. If I plan to instruct others in the safety technology, I may do so only after a prior agreement and with proof of an appropriate qualification.
